## About Me

Creative and detail-oriented videographer with hands-on experience in directing, editing, and producing music videos and event coverage. Proficient in Adobe Creative Suite and lighting design. Strong collaborator with a focus on storytelling and visual composition. I am passionate about working in fast-paced production environments.

## EDUCATION

**Belmont University, Nashville, TN** 2022 - 2026

**B.A. Media Production, Minor Architecture**

- Audio/Video Production, Remote Media Production, Motion Graphics
- GPA: 3.4

## EXPERIENCE

**Belmont Sports Videography, Camera Operator** 2025 - Present

- Use framing and photo composition to capture video for DI sports games
- Accurately capture the shots that are most valuable for our sports broadcast
- Show up to sports facilities on time and with the appropriate credentials

**Tiny Dorm, Videographer/Editor** 2025 - Present

- Collaborate with local artists to plan and execute video shoots
- Edit videos and post on social media platforms
- Set up multiple cameras and organize data for full-length sets

**Music Videos, Director/Editor** 2023 - Present

- Work with artists to create videos that enhance their music
- Storyboard and make a shot list for ease of workflow
- Direct scenes to reflect the main idea

**TEDx Nashville, Presentation Videographer** 2024

- Managed camera setup and shot video for TEDx talks
- Filmed 9+ hours of speaker footage
